End of Year Awards:

We have been asked to do End of Year points awards for members. This is something we have never done, but our directors feel this would be a great way to reward members every year. We would like to get some feed back from our readers on what disciplines you are all participating in, and what events you compete in. We know we can't have awards for everything, so some may have to be grouped together. Some of the categories we would do are Dressage, Hunter/Jumpers, Barrel Racing, and Reining. We would also have one for Driving, as well as Endurance and a Distance riding and one for Mounted Shooting, etc. So please send me suggestions and information about the events that you participate in to help us come up with the awards categories. Your input will be greatly appreciated. Send requests, suggestions, and information to Robin Rivello at president@uswhba.org. Write End of Year Points in the subject line of your e-mail.
